

Environmental Policy

Delta Air Lines understands our responsibility to minimize our impact on the environment and to conduct our operations in an environmentally sustainable manner. All of Delta's senior leaders, employees, and contractors are accountable for implementing this policy.

Delta is committed to:

- Complying with all environmental laws and regulations.
- In the absence of governmental regulation, Delta is committed to operating in an environmentally responsible manner.
- Setting environmental performance goals and continually improving environmental performance.
- Preventing pollution, where possible, and if not possible, then establishing mitigation programs to minimize the environmental impact.
- Using natural resources efficiently.
- Conducting environmental compliance and Environmental Management System audits of performance and practices to ensure compliance.
- Engaging with external stakeholders to discuss commercially viable solutions to environmental problems.
- Reporting on environmental performance to our employees, customers, and external stakeholders on a regular basis.
