CREATE THE PERFECT GETAWAY

In the northwestern region of Costa Rica, along 400 miles of pristine coastline, the Guanacaste province boasts incomparable beauty in its landscapes and flourishing nature. As Guanacaste's capital city, Liberia is known as the "white city" because of the whitewashed walls and beautiful, colonial architecture. Add long summer days, active culture and unparalleled wildlife, and you'll discover why it's one of the world's hottest vacation destinations.

While the area's beaches are amazing, the national parks are breathtaking. The Arenal Volcano National Park is a great spot for hiking and canopy tours. Visit an active volcano, horseback ride along trails, or trek to some of the many remarkable waterfalls.
